Shock Hockey

HOCKEY TRAINING ABOVE is pleased to be offering Shock Hockey for the fourteenth consecutive season. Shock Hockey is geared to challenging **all** players, of **all** skill levels. Players will be placed in an appropriate line according to skill level using "ABC" theory: "A" players are considered having an advanced skill level in their respective age category, "B" players are considered having an average skill level and "C" players are considered continuing to develop. Each line will compete against equally ranked lines. Creating this playing atmosphere will allow all the players to be challenged and compete at an appropriate level enhancing confidence and encouraging skill development in a fun, relaxed environment.

BENEFITS TO PLAYING...

- More playing time than regular minor hockey games
- The additional skating, puck handling, passing and shooting will improve skills
- The creative playing atmosphere will promote reading and reacting to the plays, and learning to create "open" ice
- Create opportunities within an informal learning environment based on fun and participation
- The goalies will face a ton more shots and challenges with odd man rushes than in a regular minor hockey game

COMPARE SKILL DEVELOPMENT OPPORTUNITIES

(as provided by Hockey Canada)

Regular Pee Wee level game

- players have the puck an average of 8 seconds
- players will take an average of 2 shots on net
- players were on the ice playing for less than 9 minutes

3-on-3 / 4-on-4 game

- players controlled the puck upwards to 3 minutes
- goalies had an average of 48 shots (over 5 per player)
- many games average 22 odd man rushes
- players were on the ice for at least 13 minutes

Respectful behaviour by parents towards all staff, other parents and participating players is expected at all times.

Summer on Ice

ADVANCED STICK HANDLING, PASSING & SCORING CLINIC

STRATFORD REC COMPLEX \$ 195.00 plus HST

Aug 6-10 6:00 - 7:00pm

This program will specifically focus on challenging players to maximize their performance while stick handling, passing, shooting and goal scoring skills. Puck control and stickhandling in all zones, executing proper form and technique.

DEFENSEMEN NIGHT CAMP

STRATFORD REC COMPLEX \$ 195.00 plus HST

Aug 13-17 6:30 - 7:30pm

At the defencemen camp, we will focus on all aspects and details of the defensive game and break it down so each and every player understands what they need to do as a defencemen. This camp will focus on defensive zone coverage, gap control, puck handling, skating, offensive zone, 1 on 1 play, stick play, and more.

AUGUST CLASSIC

STRATFORD REC COMPLEX \$ 175.00 plus HST

Aug 20-24 6:00pm - 7:00pm

This popular program will focus on challenging players to tune up their hockey skills prior to the hockey season. On ice sessions will be comprised in two main focus areas - 50% of the time on skating development and 50% on puck skill development. A smaller version of the Pre-season Conditioning Camp.

HIGH PERFORMANCE POWER SKATING CLINIC

featuring Kathy McIlwain

STRATFORD REC COMPLEX \$ 150.00 plus HST

August 27-30 5:00 - 7:00pm

The most important skill in hockey today is skating. This comprehensive program will focus on refining skating skills and challenge each student to improve skating technique. The sessions will be on-ice.
